# New beach chalets are 'monstrous'

WORK has started on the controversial new chalets on Monmouth Beach, Lyme Regis, to replace those destroyed by the storms of early 2013 - but their design has been dismissed "as monstrous".

Eleven chalets are under construction on a new site on the beach which is closer to the sea than the original chalets but still near to the foot of Lyme's creeping cliffs.

The site was agreed after a previous planning appli-

cation was rejected by West Dorset District Council because the chalets would have been toon close to the sea and in danger of being washed away.

The owners are paying for the new chalets and have also had to contribute £4,500 each towards the cost of a new road onto the beach. In a full year the chalet owners will pay a rental to the town council of £2,481,which includes £350 for a parking space,

### **Unstable cliffs**

The design of the new chalets has been criticised by many, describing them "more like pods" and a far cry from the previous traditional design of those destroyed in the storms.

■ UNDER CONSTRUCTION: The new chalets being built close to the foot of the cliffs

Among those critical of the new chalets is town, district and county councillor Daryl Turner, who has consistently opposed their construction on the grounds that lives will be endangered by the chalets' proximity to the notoriously unstable cliffs.

Writing on Facebook, Cllr Turner commented: "The Jurassic Coast, Lyme Regis a World Heritage Site, SSSI & AONB near by - makes you feel proud of the planning process. Was a view to die for!"

STORY Traders is a group of Bridport writers who meet up twice a month at Beach and **Barnicott in Bridport.** 

They have been established for almost five years and are a flourishing group with 20 members and a waiting list.

Most members were beginners when they joined and several have now gone on to have work published in anthologies or online and to win or be shortlisted in writing competitions.

The group has also launched their first book this month, 'Narrative Threads', which is available in The Book Shop on South

### WHAT is the focus of Story Traders?

The initial idea was to provide a supportive and encouraging atmosphere in which writers could learn and develop, and draw inspiration from each other by sharing their work. From the beginning though we have always been about more than just meeting

Of course we do that, but we have also made a point of being involved in community events and activities, sometimes initiating them ourselves and sometimes supporting other groups within the thriving creative community of Bridport. Each year we take part in the Bridport Open Book Festival during October, giving performances of our writing, and organising the Bridport Story Slam. We involve ourselves in local history projects. We give presentations of our stories to the WI, Probus and other groups in the area. We have worked in local schools to encourage children to write poetry and we've ioined up with local artists and singer/songwriters to create back-stories to their work.

We think this sets us apart from other writing groups in our area, and as well as being an enjoyable way of integrating into the Bridport community has also provided us with stimulating ideas for much of our writing.

Apart from the Slam, our main focus has been our rope anthology. Bridport has a long history of involvement with the rope and net industry, and the story of rope in this area forms a large part of the display at Bridport Museum. To tie in with this (no pun intended!) we have produced an anthology of rope-related stories and poems. Some of these are closely connected to Bridport's history, but others have a much more tenuous link with the subject of rope, and will, we hope, surprise and delight our

The Anthology, entitled "Narrative Threads", is now available. This was very much a group project and any member of Story Traders who wanted to be involved has at least one, and possibly two or three pieces of work in the anthology.

### WHAT advice would the group give to anyone wanting to start writing?

You learn by doing. Whether it is random ideas, or you draw from your own life experiences, get in the habit of

writing regularly. Read a lot and ask yourself why some writing holds your attention. Read your own work aloud and if possible join a writing group so that you can hear others work and exchange ideas.

### WHAT is one of the memories members have from the club?

Most members agree that the first time they read their own work aloud to an audience is a scary, enjoyable, memorable experience.

WHAT would be the typical agenda of one of

do our best work.

A short summary and update on current writing projects is given. General writing news is shared. Members then read out their homework relating to the previous meetings' writing exercises. Next members read out their current work and there is an exchange of opinions and advice. This is light hearted, useful and constructive. We finish with a 10-minute writing exercise. This is usually accompanied by a lot of groans and laughter, which usually reveals dozens of different ways people think.

### WHAT do members most want out of the club? Writing can be a lonely business. Being part of a writing group who meet regularly is a real bonus, because almost without knowing it we support each other, inspire each other, with perhaps a twinge of competition, which encourages us all to

# TELL us a bit about 'Narrative Threads'...

It includes 16 local contributors, writing stories based on the theme rope. Some have been inspired by the history of Bridport's rope and net industry, others just by writing exercises that included using the word rope. A truly diverse collection of short stories, flash fiction, and poetry to keep the reader highly entertained.

# id councillors see the plans?

And town councillor Stan Williams, who chairs the Town Management Committee responsible for Monmouth Beach, has described them as "monstrous"

Cllr Williams claimed that few if any councillor saw the plans before they were submitted for approval. He said: "The town council made the application for

planning permission but the design was handled by the chalet owners and architect. The town council never comments on its own applications. My committee is responsible for Monmouth Beach but I certainly did not see the plans before they were submitted."

Cllr Williams said he was worried about the safety of those occupying the new chalets because of their proximity to the notorious Monmouth Beach cliffs on one side and the sea on the other.

He was also concerned about "attempts being made" to make it a private beach and restrict access by the public.

"If we have another storm like we had over the New Year in 2013, the chalets could be destroyed again by cliff falls or washed away by the sea," he said.

Cllr Williams thought the design of the chalets was out of keeping with the beach and was certainly a far cry from the traditional chalets which were destroyed

by the 2013 storm. Another Facebook contributor, Jess Douglas, described the design as "horrible and just disgusting". Property developer Steve Sweet suggested waiting for the chalets to be completed before making a final judgement.

The chalets are part of a combined planning application together with 11 new huts.

The use of the site for chalets and beach huts has ben granted for three years, after which the structures have to be removed unless a further permission for their retention has been given.

The chalets and huts can be used for holiday pur-

poses only and none can be used as the occupier's sole main residence. Use of the chalets is limited to March 1st to November 7th in each year. Plans submitted with the application allow for a bed space in the chalets. The huts are for use as daytime beach hut facility only and not overnight sleeping.

Another condition is that there shall be no additional/domestic paraphernalia added beyond the chalet design such as decking.

The chalet owners will not be able to make a quick profit on their investment as they will have to pay a premium to the town council if they sell.

# Lyme launches Poppy Appeal

LYME Regis branch of the Royal British Legion has launched its Poppy Appeal for 2015.

Although one of Dorset's smallest Legion branches, Lyme regulary punches above its weight, raising in excess of £5,000 for the Earl Haig fund.

This year the Poppy Appeal in Lyme Regis is being co-ordinated by committee member Mrs Jacqueline Ward.

A team of volunteers have been collecting in Broad Street this weekend, including presidentelect Philip Evans and branch chairman David Man-

And the branch believes it may have Dorset's youngest Poppy Appeal volunteers in Daisy Taylor, aged 6, and five-year-old Keiron Scott (pictured on front page). Daisy is the daughter of former career soldier Kevin Taylor, who is now a parade marshal for the Lyme branch, and his wife Jacki. She regularly accompanies her father when collecting for the Poppy Appeal, while Keiron was joined by mum Kelly Scott and aunt

Becca Overton having asked if he could help collect.

Lyme's Remembrance activities start on the morning of Saturday, November 7th with the laying of wreaths at the grave of HMS Formidable which was torpedoed in Lyme Bay in

January 1915. Crosses will also be laid at the graves of all deceased Legion members.

A short service of remembrance will also be held at the Polish War Memorial on Anning Road on the morning of Saturday, November 7th.

The Remembrance Sunday parade and service at St Michael's Parish Church will take place on November 8th, starting from Langmoor Gardens at 9.30am for a 10am service. Mayor Owen Lovell and town councillors will join the parade.

Wreaths will also be laid at the town's war memorial in George's Square at 11am on Wednesday, November 11th.

Branch chairman David Manners commented: "Our Poppy Appeal volunteers will be collecting in Broad Street for the next two weekend leading up to Remembrance Day . The people if Lyme are always very generous and we are sure this year will not no exception."

# **Local Plan adopted with** 'limited' development opportunities in Lyme

THE West Dorset, Weymouth and Portland Local Plan was adopted at a full meeting of district councillors last Thursday (October 22nd).

The joint local plan forms the main basis for making decisions on planning applications and sets out a long-term planning strategy and site proposals for housing, employment, leisure and infrastructure up to the year 2031.

The plan includes a vision for Lyme Regis, which states that in 2031 the town will:

- Retain its unique coastal character while developing to meet local needs (as far as is possible within the various constraints on development), with a focus on affordable housing, so as to retain a viable mixed-age community;
- Develop its role as a visitor and educational centre on the World Heritage Coast, with a strong identity based on its geological heritage and fossil interests:
- Tackle transport issues through effective traffic management;
- Adapt to the effects of global warming, due to the town's position on an unstable coastline;
- Have a positive relationship with the nearby village of Uplyme, with the two communities working together to meet their needs.

The plan adds that development opportunities in and around Lyme Regis are "limited" due to its land instability, highway and landscape con-

However, it lists land south of Colway Lane and land at Woodberry Down as the main development opportunities for residential and employ-

Forty-six houses at Woodberry Down are currently under construction, with a planning application for a further 56 under consideration. However, an application to demolish the former educational and outdoor activity centre on the site, which currently stands empty, and replace it with six more homes was recently turned down by the district as the plans did not include employment use. The plan adds: "Whilst not quantified through a formal local housing and employment needs assessment, there is a local expression of need for housing and employment in Lyme Regis, though at Uplyme, as set out in the emerging East Devon Local Plan, local aspirations for development are

"West Dorset District Council will work with East Devon District Council, Lyme Regis Town Council and Uplyme Parish Council (and the county councils and other partners) to ensure over the long term that the most appropriate solutions to meeting local needs of both communities are fully understood and explored and thereafter expressed in future policy documents, including neighbourhood plans.

"In terms of future development patterns, Lyme Regis and Uplyme are considered to be suitable only for limited local growth, rather than strategic or significant growth.

Councillor Anthony Alford, leader of West Dorset District Council, said: "A Joint Local Plan has been in development for a number of years and its adoption at full council is a great step for-

"The adoption of the plan will give everyone a much clearer understanding of where new developments for housing, employment and leisure is

"I would like to thank all those who participated in this process by writing in their comments, coming to consultation events and appearing at the public examination hearings - all of this input has helped to shape the final plan.

# **Turning the town pink for Cancer Research!**

LYME Regis shops and businesses helped to turn the town pink in aid of Cancer Research UK last week.

The Lyme Regis branch of Cancer Research UK held its annual Turn Lyme Pink day on Friday, asking local traders to help boost funds during Breast Cancer Awareness Month.

Among those taking part this year was Lyme Regis Tourist Information Centre (pictured top right), Aroma Cafe (bottom right), the Town Mill Cheesemonger (bottom left) and the *View From* Newspaper offices, with staff members dressing in pink, decorating their shops and offices, and collecting donations from customers.

Members of the Cancer Research UK branch also held their own fundraiser on the day - a coffee morning and cake sale in the Baptist Church Hall which raised more than £350 (pictured top left).

It is hoped these funds will help boost the branch's total for 2015 to £5,000, which will put them at almost £60,000 since the branch was set up in 2008.

Branch chairman Philip Evans said: "Many thanks to all those who supported our coffee morning on Friday, we were delighted with the final result, and especially to all the local traders who supported the campaign by dressing in pink for the day and collecting further funds."

# Rescued men say thanks with £200 cheque for lifeboat crew

TWO men who were rescued by volunteers from Lyme Regis lifeboat crew said "thank you" with a £200 donation to the life-saving charity.

One of the men, 64-year-old retired police officer David Dolling, from Poole, visited the lifeboat station on Sunday to present the donation to some of the crew members who rescued him and his friend, John Allan, in August.

Mr Dolling and Mr Allan, 67, from Essex, were

trapped on rocks in darkness at Seven Rock Point, west of Lyme Regis, and when they realised they could go no further they called the coastguards, who requested the lifeboat be

# Lifeboat launched for family cut off by tide

LYME Regis lifeboat crew was launched on Monday evening to assist in the rescue of three people trapped by the high tide.

The lifeboat was launched at 3.56pm following reports that a man, a woman and a 16-year-old boy were stranded between Charmouth and Golden Cap to the east of Lyme Regis. They were walking towards Charmouth and were unable to get to high ground as the tide came in.

Because of the choppy conditions the lifeboat crew felt they could not get the three people aboard safely. Crew member Tom Crabbe swam 200 metres ashore to reassure them and help them walk to safety.

Half an hour before high tide, the coastguard helicopter airlifted the three walkers and Tom, and landed them at Charmouth where they were met by coastguards.

Lifeboat helm Murray Saunders said: "Because of the pitching swell we would not have been able to get the three people off the beach safely so it was necessary to call for the coastguard helicopter."

Lifeboat crew member Tom Crabbe is pictured right after swimming ashore to assist a family cut off by the tide.

# Spectacular display planned for bonfire night

A SPECTACULAR firework display is planned to light up Lyme Regis on Saturday, November 7th for Guy Fawkes Night celebrations.

Following the fireworks at 6.30pm, a bonfire will be lit on the beach by the Mayor of Lyme Regis, Councillor Owen Lovell, accompanied by Mayoress Christine Lovell.

Town crier Alan Vian said: "This is a very special night in Lyme Regis and attracts crowds of people from all around Lyme and the surrounding area.

"The fireworks will be presented by the same company who wowed the crowds in the summer with magnificent displays during Lifeboat Week, Regatta and Carnival Week and Candles on the Cobb. In addition there is no charge, it's free, we rely entirely upon the generosity of on-lookers to cover the cost of the event.

"We are looking for supplies of wood for the bonfire. Please bring it to the beach on Saturday morning or ring us and we will collect it in the Saturday morning.

"Saturday November 7th is a night not to be missed in Lyme Regis!"

If anyone would like to help build the bonfire or has wood which would be suitable for burning please contact Alan Vian on 01297 442220 or email alan@alanvian.co.uk

MY fourth week at B! Health & Fitness and I got a taster for some of the classes on offer. I started on Monday morning at 9:15am with RIGorous. What a way to start the week that is! It's a bit like circuits but using the equipment in and around the rig on the gym floor. We had a group of nine people in the class and so had nine different stations to move around with a 40 second work out on each. I managed the first two circuits relatively comfortably but the third and fourth times round were a real challenge! I won't lie, it is tough, but you can go at your own pace and Craig, who took the class, is full of encouragement and helps you push yourself as much as you

Tuesday at 6pm was Shape and Tone with Duncan in the fitness studio, which was another great class. It wasn't as intense as RIGorous but it was still a really great workout. The class was an hour long but broken down into different sections, starting with legs, then moving on to chest, arms, shoulders and abs so it works the whole body. I was a little achy from RIGorous the day before but after Shape and Tona Lactually follows the truty.

Shape and Tone I actually felt much better.

I was back again on Wednesday for Power Burn, also at 6pm with Duncan as the usual instructor Cheryl was on holiday. I had been warned by some of the others that Power Burn was really hard work, and they weren't joking. I'm not sure I have ever sweat quite as much as I did during that class. The best thing about the class is that it works totally against your own body weight. It's a really intense CV (cardio vascular) workout and is a very popular class (despite Duncan's very dubious choice of music!) as you certainly burn a lot of calories in those 45 minutes.

Even though the classes are really hard work, they are only as hard as you push yourself. There is no pressure to keep up with everyone, you can go at your own pace and if it is too much you can have a little break then join back in when poyotre ready. There were times when I wanted to stop but I found being in a group environment encourages you to push each other on. There's a really good atmosphere in all the classes, the instructors make it a lot of fun and there's a really friendly group of people that go regularly who every day asked me how I was finding each class, which was really nice. That really is one of the things that in my opinion makes B! Health & Fitness such a great place to work out. Everyone is so friendly at the atmosphere in the gym and the classes is great. It makes you want to come back, which when it comes to staying fit and healthy is definitely a very good thing!

to come back, which when it comes to staying fit and healthy is definitely a very good thing!

I had Thursday as a rest day but was feeling really good and was back in on Friday for a full body personal training session to end the week. For the first time in a while I had no muscle soreness, despite some very vigorous classes earlier in the week, a sure sign that my strength and fitness are improving, aided of course by plenty of sleep and a healthy diet. Friday's session was brilliant. Tough, but brilliant! For the first time I could really see how I have improved and I managed to shoulder press twice the weight I did to start with which gave me a real buzz. Duncan pushed me through some CV work to finish the session on the bike doing interval sprints, which again was an area where having him there as a personal trainer made such a massive difference. It allowed me to focus on keeping the speed up over 120 revolutions per minute throughout the sprint intervals while he watched the clock and pushed me through it.

I was obviously pretty exhausted after the session but I felt so good. I know I have made huge improvements over the last 2 weeks

and the personal training has played a big part in that. It's been really intense but the sense of achievement and general well-being that I have now is immense.

I'm going back in on Monday for a final fitness test to see what impact the last 4 weeks has had on me. I'm confident the results will back up how good I'm feeling!

**■** THE Rotary Club of Lyme Regis hosted one of its popular book sales on Marine Parade on Sunday, raising £255 for charity. Perfect day for a book sale on Marine Parade with £255 raised for Rotary charities. Thank you to all who came and made our efforts worthwhile."

# Parish clerk stepping down after seven years

UPLYME parish clerk Lois Wakeman will be retiring at the end of March 2016 after holding the post for seven years.

The clerk (pictured) announced her retirement at this month's parish council meeting, and said she would be happy to talk to anyone interested on taking on this "absorbing and important part-time job".

The council will be formally advertising for a replacement later in the year, but in

the meantime anyone interested can contact the clerk on 01297 444707 or email clerk@uply-meparishcouncil.org

■ UPLYME parish councillor Andrew Turner has been touring the area in preparation for the village's new lengthsman to start work, and has spoken to a number of householders and landowners who are not aware of their legal duty to keep hedges and ditches at the roadside in good order.

The council has now issued several hedge letters, and the outcome has been "largely positive". Only one occupier has failed to respond and they will be served a notice by the county council to either get the work done or receive a bill for the work.

■ UPLYME Parish Council will be promoting their Neighbourhood Plan by using artwork by former pupils from Mrs Ethelston's Primary School.

The artwork of last year's school leavers will be used on posters and banners around the village, and take on an A-Z theme, featuring places in the parish which start with different letters.

Following public consultation, the Neighbourhood Plan Working Group is currently drafting the document, which will help shape future development in the parish. For more details, visit www.uplymeparishcouncil.org

# War veteran's son turns father's unread journal into new e-book

SECOND World War journal, written in the early 1970s by former Lyme Regis resident William Marsh and left unread for over 40 years, has finally been turned into a new e-book.

Mr Marsh's son, Keith, has used his father's memoirs to create a thrilling and sometimes har-

rowing account of a young man thrust into the maelstrom of war, named "The Lucky Shilling: William Marsh's War, Dunkirk to Prague".

William "Bill" Marsh was born in Tilehurst, Reading, in 1916 and joined the Royal Berkshire Regiment in 1937. The e-book, written from Bill's perspective, tells the story of how he fought and won a valour medal in one of history's little spoken about battles – the Battle of the River Dyle in 1940.

He was one of the soldiers not to be rescued at Dunkirk and, left for dead, was captured and incarcerated in Stalag VIIIB in Poland, where he was brutally treated and witnessed scenes of sickening depravity.

Bill volunteered for outside working parties; changing the course of rivers, logging, making quick lime and loading trains, and in a bizarre turn of events was rescued by a German guard from a concentration camp.

As the war drew to a close, he escaped to Prague to witness the civilian uprising and was smuggled out of the city in the back of a truck before being eventually flown back to England in a Lancaster homber

Bill spent his latter years in Lyme Regis and died in 1986.

At the end of his wartime journal, he wrote: "In the winter of 1939, I was walking with the Sergeant Major when I picked up an English shilling. The Sergeant Major said, 'That means you'll get back home'. He was right, but it took six years!"

The anecdote is where Bill's son Keith took the name of his e-book from.

Speaking on the process of writing the book, Keith, who also served in the Army, said: "It was in 2009 that I rediscovered the wartime account that my father had written some 40 years earlier in response to me and my brother pestering him to share stories of his combat experiences during the Second World War. We knew the stories existed and in that respect we were lucky, if you can call it that.

Mr Marsh explained that his father barely spoke about his experiences serving in WWII. He and his younger brother Ian first heard his stories after Ian broke his leg, aged 12, and Bill told him about the war to keep him entertained during his threemonth hospital stay.

"I also found photographs, original documents and his, mine and my brother's notes made at the time. That started a journey for me that finished in 2013," Mr Marsh added.

"The more I read his journal, the more intrigued I became. It was as if I was discovering a completely different man from the father I had grown up with... where was the mildmannered, gentle-natured man I loved in this story of bloody, hand-to-hand fighting, breathtaking bravery and desperate survival?

"I spoke to surviving family members to flesh out his early life and went to see the curator of his Regimental Museum, which supplied me

with the War Diaries and relevant maps covering the period from the outbreak of the war, the Phoney War, winning his military medal on the River Dyle, to the time of his capture.

"My brother and I then went to France and Belgium, visited the villages he had styed in during the Phoney War and then drove along the route the regiment took to the battle positions on the Dyle We then used the campaign maps supplied by the museum and stood in what was left of the slit stenches to imagine what is must have been like on the evening of May 13th 1940, as the Germans attacked for the first time.

"More research followed and, even though I obviously couldn't ask him directly, I found myself answering my own questions with my father's voice. Almost without thinking, as my notes and experiences grew, I started the book. It was only ever intended to be for the family but, as it grew, I was encouraged to seek a winder audience.

"I have found the whole experience both adsorbing and addictive. In fact, I have now started a new book based on my grandfather's experiences in the

Great War. He was also a Royal Berkshire and won the Distinguished Conduct Medal at Loos

For more information on "The Lucky Shilling" visit the website www.luckyshilling-williamswar.com or the Facebook page www.facebook.com/LuckyShilling, or you can download the e-book direct from Amazon to your Kindle for £2.25. A minimum of 10 per cent from the sale of the book will be donated to the Royal British Legion.

# **Local choir to host Advent** | Charity motorcycle ride to concert and masterclass

LYME Bay Chorale's Advent concert will be held at 4pm on Sunday, November 29th in St Michael's Parish Church, Lyme Regis, and is sure to thrill the audience with the genius of Mozart's music.

The choir will be performing Mozart's Litaniae KV243 and the Credo Mass KV 257. The Litaniae is a lesser-known piece by the composer but when Alex Davies, the choir's musical director, heard it performed he fell in love with it.

"This rarely performed Litaniae is exquisitely beautiful and just as compelling as Mozart's better known Requiem," he said.

"It was performed 10 years ago at the Colyton Parish Church Mozart Festival and I knew then I really wanted to direct it, and now I have got my chance!'

For the occasion Alex has put together a 12-piece professional orchestra, many of whom have close ties with the local community. His soloists include soprano Chloe Stratta, alto Julie De'Ath Lancaster, tenor Leslie Baker and baritone David Fouracre, who are all popular local professionals.

"We are lucky to be joined again in the concert by renowned soprano Philippa Hyde (pictured), who has also generously offered to give a singers' masterclass," said Alex.

The free masterclass will be held at 2pm on Saturday, November 28th with 15-minute slots for each singer (a short piece should be prepared in advance). Those interested should contact Sally Crowther-Burrage by emailing allegrosally53@btinternet.com or phone 01297 444580.

Alex continued: "This is a very special opportunity for a small group of singers to work on their technique and interpretation with Philippa.

Tickets for the concert are available from the Penny Black Cafe (behind the post office) or Lyme Regis Tourist Information Centre with a £2 discount if bought in advance. Under 18s go free. For more information visit www.lymebaychorale.co.uk

# AND WHAT IS CONTENTIOUS PROBATE?

# The dictionary defines it as the process of taking legal action...

Usually contentious probate cases arise when there is an argument after someone has died about the distribution of their Estate. When someone dies having made a Will, Executors will have been appointed. Their role is to ensure that the terms of the Will are complied with.

If you have been left out of a Will, or not been properly provided for in the Will or under the the Law of Intestacy (which applies when there is no Will), you may still have a claim.

Examples of circumstances where you may be able to make a claim

- Where you were financially supported by the deceased up to the time they died
- Where the deceased failed to carry out certain promises made to you in their lifetime.
- Where you are what is often described as the "common law spouse" of the deceased, although you would normally need to have been together for some time.

The costs of a claim can be substantial and you will need expert advice in order to say whether you have a claim that is worth pursuing.

It is also possible to contest the validity of a Will, for example, if the Will was not made in accordance with legal requirements.

Pengillys can help you find a way forward.

# Finding a way forward...

# So what is Litigation?

## The dictionary defines it as the process of taking legal action...

Pengillys are experienced in dealing with litigation claims involving personal injury, clinical negligence, landlord and tenant disputes, contractual claims, consumer issues, boundary disputes and debt claims. Everyone is likely at some time to require some advice in relation to one or more of these issues.

### In relation to your accident claim...

do you have a Solicitor who is remote from you? do you have an opportunity to meet regularly with your Solicitor and are you confident that you speak to the same person every time you call?

Pengillys have offices in Weymouth and Poundbury and pride ourselves in the personal touch.

The other question to ask yourself is...

# ...and what is Contentious Probate?

This is when the validity of a Will or its provisions are in question..

If there is an argument about who should inherit, then there may need to be Court proceedings. Issues may arise as to whether proper provision has been made for potential dependents. These are complex legal matters and you should be aware that strict Court time limits frequently apply.

# latest release based on Dorset

LYME Regis features in a new and comprehensive guidebook of Dorset, written and published by Charles Tait, from Orkney, Scotland.

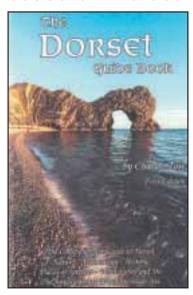

Despite hailing from the opposite side of the UK, Charles spends a lot of time in Dorset as his partner, Debbie Snook, lives in Wooton Fitzpaine, near Lyme Regis.

Having published guidebooks on various locations since 1991, since which over 90,000 copies have been sold, Debbie challenged Charles to write one on her home county, having found there were no books which matched his comprehensive and detailed style in the local area.

After several years, travelling thousands of miles back and forth across the county and

undertaking extensive research, "The Dorset Guide Book" and smaller, sub-editions focusing specifically on West Dorset and the Isle of Purbeck are now available.

Charles has a strict policy of only writing about places he has actually visited, giving his guidebooks a sense of authenticity. Like his previous releases, "The Dorset Guide Book" is lavishly illustrated with Charles' own photographs, as well as with maps, old prints and other

The book includes sections on natural history, archaeology, history and culture, along with a detailed gazetteer, what to do and see section, and suggested itineraries, making it the perfect guide for visitors or Dorset residents wanting to explore the local area further.

"The Dorset Guide Book", priced at £14.95, and its small sub-editions, costing £9.95, are available at many local bookshops and tourist information centres, as well as from the website www.charles-tait.co.uk

# Successful guidebook author's Art society demo on 'Buildings with Attitude'

"Buildings with Attitude" painted by an "artist with attitude", as she described herself, was the subject of Lyme Regis Art Society's latest demonstration.

Annette Burkitt has only began painting for eight years ago but says it takes that long to develop your own style and favourite medium. She uses gouache because it is unpopular and she chooses to be different.

In her demonstration, Annette worked from a photo of Broad Street in Lyme Regis and had already prepared a line drawing ready for paint. She advised members to forget about perspective when sketching but to just put in what they saw.

Using a palette of about eight colours turquoise, brown, pink, Prussian blue, a flame red, lemon yellow, Naples yellow and white - she began by scrubbing a layer of a peach mix of Naples yellow, pink and white over the entire picture. Some bright Crimson

went on as well by mistake but she found this exciting and built it into the colour

This dried quickly - one of the advantages of gouache - and she was able to sketch in lines of Prussian blue and crimson to indicate black shadow areas. The lightest areas followed with a huge swirl of dark cloud. This was not in the photo but Annette strongly believes that, for an artist, the picture is more important than the reality because it can enchant people or at least capture their interest.

Âfter tea, Annette enhanced areas using candle wax resist overlaid with water-soluble aquatint pastels, emphasising the dark turquoise shadows and bringing touches of Naples yellow to the highlights. As she finished the picture she ensured a balance of colours with the dominant turquoise repeated in various places and the lights and

darks giving depth and form to the image

The society meets on alternate Tuesdays in the Woodmead Halls from 2pm to 4pm and the next demonstration is November 3rd when Max Hale shows still life painting in watercolour.

Visitors and new members are always welcome. For more information contact Sheila Stratton on 01297 445464.

# A colourful farewell to autum at Town Mill

FROM November 6th to 18th, two new exhibitions will open at the Town Mill in Lyme Regis, inviting visitors to celebrate a colourful farewell to autumn.

Local artist Debbie Bell (pictured) will be revealing her fascination with poetry and India in a solo show called "From Bombay to Blake" at the mill's Malthouse Gallery.

Coming from an artistic family, Debbie studied theatre design and then fine art at college, and on moving to London became an illustrator for children's book publishers Walker Books, and later for Heinemanns.

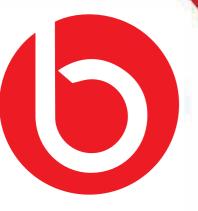

Settling in Lyme Regis helped to reignite her love of painting, and for this exhibition she has been inspired by

some favourite poems and by the vibrancy and magic of India.

In the neighbouring Courtyard Gallery, a number of local artists will be toasting the season in 2D and 3D work based around the theme "Autumn Colours".

The artists are all members of Town Mill Arts Guild, the group that organizes the art exhibitions, workshops and courses that take place at the mill.

The two exhibitions will be having a joint open evening on Saturday, November 7th from 5pm to 7pm to which all are welcome, and will be open daily from 10.30am to 4.30pm. further information, www.townmillartsguild.com

# It's all in the name of art

YME Regis has a burgeoning and diverse arts community which is to be celebrated.

The staggering depth of talent in the town is showcased with the staging of the September arts festival, and event which grows in stature and popularity ever year.

It brings Lyme's summer season to an appropriate close, demonstrating that the town has more to offer than the razzmatazz of the peak season events.

Each year, the ArtsFest succeeds in adding another dimension to its programme which promotes the work of

# by Philip Evans

not only those who earn their living through their talent in professional studios, but those who get great satisfaction in demonstrating their skills in their garden shed.

This year the ArtsFest promoted a sculpture trail with various exhibits dotted around the town, several of which have caused a great deal of discussion, not all of it positive.

The extent of my artistic expertise extends no further than painting my garden fence (and I don't do that very well!). And having upset the arts community on a number of occasions in the past in a neighbouring town, I'm not about to join the argument of what is art.

Lyme town councillors are generally in favour of such public art installations, although some exhibits were harshly likened to "litter" at their last meeting. Councillors were

not keen on an attempt to liven up the gazebo in the Langmoor Gardens and have ordered it to be repainted.

In future artists will have to submit their work for approval before permission to exhibit is granted. Now that could be a long meeting!

O I WAS greatly saddened by the recent death of the brilliant broadcaster Huw Scully.

When I started out in journalism, Huw was a young reporter at BBC Plymouth. At the time I was a new member of the Regatta Committee, later to become secretary, a position I held for ten years from the age of 19.

It was 1968 and the town was very excited that the Miss World at the time, Penny Plummer, an Australian, had agreed to crown the Regatta Queen, arranged through Players No 6 cigarette firm, one of the regatta sponsors.

Miss Plummer was staying at the Royal Lion and two of the leading committee members, the late Ivor Curtis, and Shaun Cregan, agreed to meet her for dinner

Unfortunately, Miss Plummer indulged a little too enthusiastically and had such a hangover she was unable to perform the crowning ceremony the following morning. In a mad panic we phoned BBC Plymouth and Huw Scully kindly

agreed to step into Miss World's shoes, driving up from Plymouth at a moment's notice. In fact, he stayed all day, joining in all the fun including the donkey derby, one of the highlights of Regatta Day, which was held in the evening on the Anning Road playing field. I think his fee was £25, equivalent of around £200 today. A bargain.

In those days we entertained most of the well known faces at BBC Plymouth and Westward TV. Many will remember visits to Lyme by Kenneth McLeod, Stuart Hutchison, John Doyle, Chris Fear, David Rogers and Judi Spiers.

Sometimes we managed to get the stars of summer season at Weymouth. Anne Shelton, Tommy Trinder, Matt Monroe, Billy Dainty and Hope and Keen, all big names in their day, came to Lyme to crown the Regatta Queen.

Huw Scully, of course, went on to host the Antiques Roadshow, one of the BBC's most popular programmes, for 17 years. He died earlier this month, aged 72.

# Make this another bumper Poppy Appeal for Lyme

I DID my first stint collecting for the Poppy Appeal in Broad Street on Saturday after being elected presidentelect of the Lyme Regis branch of the Royal British Legion.

I've been a huge admirer of the Legion throughout my career and well remember covering branch meetings as a young reporter when Major General Sir Reginald Kerr was the president and Cecil Searle the secretary.

I learned a great deal about the work of the Legion by compering the Lyme Festival of Remembrance for 15 years. The organisation does magnificent work.

I will take over as president from Cecil Quick, who has served the Legion for more than 50 years, a feat that will probably never be repeated, at the branch's forthcoming annual meeting.

A team of Legion volunteers, co-ordinated by Poppy Ap-

peal organiser Jacqueline Ward, are collecting in Broad Street and around the town between now and Remembrance Day on November 8th and although it was cold and wet in Broad Street on Saturday, I was impressed with how generous people were. It is clear the Legion is greatly admired. And thank you for the warming cup of coffee from the Famous Old Fudge Shop.

For such a small branch, Lyme always punches above its weight during this period of remembrance and I'm sure this year will be no exception. The main parade and service takes place on Sunday, November 8th with the usual Armistice ceremony at the war memorial on Wednesday, November 11th.

Please give your support and make this another bumper Poppy Appeal for Lyme.

# Local man wins cooking competition

**BRIDPORT & WEST DORSET GOLF CLUB** 

to provide all bar and catering services at his local golf club.

Sam Hill, 32, who grew up in Bridport, won the contest to provide the services at Bridport and West Dorset Golf Club, and will begin his new role immediately.

Chris Wren, director of hospitality at

Bridport and West Dorset Golf Club believes that having a local person involved can only benefit the club. He said: "We are delighted that Sam is to take over. "There were some strong candidates but Sam's bid was clearly the best. It is a bonus that he is a local man."

Jerry Page inspired Sam's passion for fish and seafood when he worked during the school holidays for him at the Hive Park in Eype.

Sam said: "I like to travel and I've done

cooking schools and courses in the Far East and Italy.

"I spent 18 months in Australia, which was great, but in the end I always seem to come back to Bridport. 'I've got some great ideas for the golf

club members and want to make use of the attractive clubhouse. Watch out for my New Years Eve party."

Sam has also enjoyed spells in the kitchen at the Three Horseshoes in Burton

Bradstock and the Anchor in Seatown. Sam will be pushing 'fresh local produce' at the golf club and described his new

role as a 'great opportunity'. "We all travel these days and enjoy all sorts of cooking and a bite to eat, whether it's steak pie or green fish curry, before or after golf is a great combination," he added.

"People want and expect fresh local produce, perfectly cooked and well presented and a golf club should be no exception. This is a great opportunity."
Sam's passion for golf led him to his

new role, and he is hoping to improve his skills on the course. "I'm a budding golfer, hoping to improve," he said. "I went to play at Bridport with friends and liked it so much I got online to find out about membership and that's how I found out about this contract. It's a funny old world."

# When was the last time you had your roof & gutters checked?

IF, like most people, you can't remember, then now might be the time to get around to it.

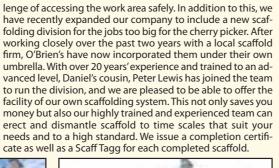

Even though they're "out of sight and out of mind" for the majority of the time, your roof & gutters actually play a huge role in the structural integrity of your house, and keeping them clean is a great way to avoid the potentially costly expense of repairs.

Gutters have one job: to guide rainwater off your roof and straight down the drain. Despite their importance, not only could you end up with structural damage, the resulting damp can cause health issues for you and your family.

Most jobs around the exterior of your house require high access and with an increased emphasis on safety, and more

stringent government laws regarding Working at Height Regulations depicted by the HSE, we have all the right equipment to carry out these works. In 2012 we purchased a 20 meter High Access Cherry Picker and a 12 meter Telehandler. Both of which operators are available for hire with one of our fully trained operatives. HUCK NETS (UK) is a designer, manufacturer, supplier & installer of rope and net solutions. Their key markets are sport, play, bird control, safety and general industries. The company was first established in Bridport in 1996 and has seen continual growth ever since. The move to Gore Cross Business Park in 1997 gave Huck the extra space they needed to expand. Several extensions have been added to the building since. The company now employs 40 people and is very proud of the fact that many of the core team have worked there since the company started.

All of their standard products are available to view and purchase online from their easy to use website www.huck-nets.co.uk . There are also catalogues available for their main markets. As a team with many years in the netting industry they love a netting challenge. It is their knowledge and the flexibility of the organisation that has enabled them to get involved in some very bespoke requirements for example the map pockets for Jaguar and Land Rover. Huck Nets is the place to go for any bespoke net requirement.

Locally, Huck Nets supply many football clubs and schools with football goal nets, construction companies with safety netting, farmers with silo nets and rope play equipment to schools, town/parish councils and holiday parks. Their flagship play installation is the popular West Bay Play Area where the team was responsible for the total design, supply and installation for the Bridport Town Council. They have recently completed the installation of an Eagles Nest tower, a Gondolar rope-end swinger and a steel link rope hammock with steel posts in the recreational field in Drimpton,

## Could you be a morris dancer?

NEW members are being welcomed by Uplyme Morris Men.

The morris men have just enjoyed another successful season of performances at various fetes, festivals and "dance outs" at Lyme Regis

A spokesperson for the morris side said: "The highlight of the year was when ten other sides joined us to march down the high street and to dance at various places on Marine Parade on the Saturday of Lyme Folk Weekend. What a great occasion that was: the weather was brilliant, the camaraderie excellent and the performances were greeted enthusiastically by the crowds."

The morris men meet weekly throughout winter to improve their dancing skills and to train new recruits.

The spokesperson added: "Dancing is great exercise and we are always looking to welcome new members, so if you would like some healthy exercise and friendly social atmosphere followed by a beer if you fancy one, please do join us on Monday evenings at 7.30pm in the Pilot Boat starting on November 9th or contact our squire, Pete Morton on 07917 748 087 or email petemorton56@googlemail.com.

"He will keep you informed about practice times so that you can come and give it a go. No special clothing is required so just be comfortable and ready for a bit of exercise."

# Road closure was a farce AT this particular time I was hoping that some-

one would review the situation we find ourselves It all started with a house in Church Street fully

in need of repair. It was decided that this would only be achieved by closing the main road through the town for four weeks. Then the county council stepped in and decided to take advantage of the situation and re-surface the road by adding a further two weeks.

It was still the holiday season but that was no concern and it was promised all work would be completed by half term. However, what a lovely late summer we had, the visitors poured in and how difficult it was for them to find their way, especially if driving.

The succession of notices read "Welcome to Lyme Regis", "Road Closed", "Car Parks Closed" and "Temporary Bus Stop", which is fast becoming permanent.

I don't know where the county got the contractors to do this job from, but the man I enquired to about use of a certain road had no idea because he told me it was only his second day in the town. He was stopping all traffic at the bottom of Broad Street. They didn't know the roads and the position of the

# LymeLetters

gas main in Bridge Street, which led to our "refugee" crisis.

Then the bus company cancelled all the services into the town and I question the legality of this action. Since the buses stopped running the winter timetable has started and you can forget trying to get to Exeter on the X53. Shopping and hospital visits are out, but that's another story!

At this point I would like to thank Damory for providing a local service into the town to ensure the old and infirm could get their necessities. A great job under difficult circumstances. Also, it is nearly half term and we await the next

couple of weeks with keen anticipation. Is this farce nearly over and will we all live happily ever after? John Wallis,

Anning Road, Lyme Regis

**■ EDITOR'S FOOTNOTE:** This letter was sent to the View From before the road re-opened. Church Street and Bridge Street re-opened on schedule ahead of half term.

# Holidaymakers at fault for dog's mess

LYME REGIS

■ BAN dogs from the cemetery (View From Lyme Regis, October 21st) - this is such an obvious thing

I am not a dog owner, just a resident of Church Street who has recently on two occasions stepped out of my front door into dog faeces. Dog owners generally don't give a damn, but do not just blame residents of Lyme Regis, it's the thousands of holidaymakers who don't care where their dogs defecate and never clean up.

It has got to be high on the list of the most disgusting offences. Has anyone ever been fined for

NEXT Sunday is "All Saints Day", when we remember all who have lived before us, and give thanks for their

We recall all that has made our friends and loved ones special to us, and the qualities about their lives that have stood out in our memories. We also think about more famous Saints across the years, who have set a good example to us. None of these people will be perfect, but nevertheless there have been at least a few particular qualities that mark them out. None of us are perfect, and it is a great encouragement to me that our faults can even make our better qualities stand out more!

Our Golden Cap Team of churches is running this autumn a course on this subject "Beautiful Lives". People are usually more influenced by the special qualities of how a person lives than by what they say. One word that captures well the personality of an outstanding person is the word "beauty".

St Peter writes: "Let your adornment be the inner self with the lasting beauty of a gentle spirit". We are learning how to develop more beautiful personalities through study of the lives of others, including contemporary figures such as Nelson Mandela, Mother Theresa, William Booth and Pope Francis. We hope some of the beauty of these modern saints will rub off on us through God's Spirit! Our next session is 2.30pm on November 3rd at Lyme Regis Rectory, 4 Dragons Hill. We invite you to

To mark "All Saints Day" we are again holding our special memorial service, when we invite all relatives of those who have died in the past year. We will sing hymns, offer prayers and invite people to light a candle in loving memory. Everyone is welcome at 3.30pm at Whitchurch Canonicorum Parish Church.

Uplyme Church is also holding a special service on All Saints Day next Sunday, to remember and give thanks for loved ones who have died. The service, called "Light a Candle to Remember", will be quiet and reflective, with music from Taize, readings and prayers and

# A trip into The Forest

Theatre for all: A multi-sensory adventure through a mystical forest for adults and teenagers with Profound and Multiple Learning Disabilities

DORCHESTER ARTS is excited to welcome Frozen Light Theatre Company and its intriguing new tale of self-discovery; The Forest to the county town this autumn.

A compelling new play described by audiences as "the ultimate 3D live interactive experience" is preparing for a nationwide tour. The 26-date tour includes venues in England, Wales and Scotland, and arrives at Dorchester Corn Exchange on Monday, November 2nd.

Theatre company Frozen Light have devised this accessible, inclusive production especially for teenagers and adults with profound and multiple learning disabilities (PMLD).

Part love story, part mythical quest, The Forest places audiences at the heart of the action in a mysterious wooded glade. The

immersive, hour-long performance allows everyone to experience the smell of the forest before a storm, the feel of raindrops on their palms and the sounds of birds singing overhead or twigs cracking underfoot.

The plot involves a journey of self-discovery for the

The plot involves a journey of self-discovery for the main characters, Thea (Gregory) and Robin (actor and musician Al Watts). Both dream of escaping their humdrum hometown existence, and a series of unexpected events, explained by caretaker of the forest and storyteller lvy (Garland), result in an adventure into the forest, which changes their lives forever.

For many in the audience, says Frozen Light co-artistic director Amber Onat Gregory, it will be their first time in a mainstream theatre venue. She says: "We want to enable people who rarely attend high street arts venues to experience the theatre. With our 26-date tour, we hope to reach as many people with PMLD as possible."

Lucy Garland, co-artistic director, adds: "Through putting accessible theatre into theatre venues we hope to increase the visibility of people with PMLD and create activities for them to access within their local community."

Frozen Light launched in 2013 as a response to the

fact that arts venues rarely cater for audiences with complex disabilities, although theatres are improving accessibility and offering relaxed performances for people who wouldn't usually access the theatre.

Performing to an intimate audience, the three-strong cast accompanies the audience from the foyer into the performance space, ensuring a smooth transition into the theatre environment. One-to-one interactions include singing directly to an audience member, or offering a prop to be explored through touch and specially composed music is integrated throughout the performance.

Dorchester Arts, Artistic Director Mark Tattersall is excited to welcome Frozen Light Theatre to the Corn Exchange as part of their autumn drama programme, "Not only is this a beautiful piece of theatre in its own right but it's a privilege to be able to offer a piece that works for an audience that rarely have the opportunity to immerse themselves the theatre experience."

The autumn drama programme is sponsored by Battens Solicitors through their charitable trust.

Topping the bill, James Redmond is a dry, slick and subtle stand up who delivers unexpected twists and turns during his set as he deconstructs his art. He has a track record as a model and actor and is best known for seminal roles in Hollyoaks (C4) and Casualty (BBC 1) as well as having presented CD UK alongside Cat Deeley and appeared as a guest on Never Mind The Buzzcocks (BBC 2), Celebrity Who Wants To Be A Millionaire; (ITV 1) and Soccer AM (Sky 1).

Tony Coward is a rapidfire gag merchant with an arsenal full of one-liners. For laughs-per-minute he's a tough act to beat! His quick wit has made him a sought after act and compere by comedy clubs and promoters across the UK and even for gigs worldwide. Something of a Twitter sensation, Tony's jokes turn up in all sorts of places, from greetings cards to The Times newspaper, even if you've never heard of him there's a good chance that you'll have laughed at one of his gags.

Sally-Anne Hayward is charming and popular, with

a winning brand of autobiographical humour. She'll take you on a journey through her slightly eccentric world, including insights into the female psyche and her compulsion to send off spoof job applications.

An experienced and versatile comedy performer, Matt Green performed in the prestigious showcase

The Comedy Zone in Edinburgh 2005, and was placed second in the Hackney Empire New Act Awards in the same year. He's now a regular on the comedy circuit, performing in clubs across the UK and the world with a high energy mix of personal stories, observations and sharp audience interaction.

# Craft and Gourmet Food Show THE EVER popular Christmas Craft and Gourmet Food Show, is returning for its 30th anniversary at Kingston Maurward House on the 7th and 8th November. The fair is open between 10am and 5pm

30th Anniversary Christmas

To celebrate this milestrone anniversary the show this year has even more stands with the addition of an extra food marque. With over 80 craft and food stands selling

an amazing variety of brilliant crafts and artisan foods, this really is the perfect place to have a wonderful day out whilst starting your Christmas shopping, and it's a fun day out for the whole family. Christmas ideas start with superb craft products, including hampers, wooden toys

and hand turned bowls, jewellery, photographic prints, sheepskins, cosmetics, patchwork, and Christmas decorations to name but a few of the high quality assortment of crafts.

In the Gourmet Food Hall you can taste and purchase delightful Artisan food produce including homemade Christmas puddings, cakes, pies, vinegars, oils, Mediterranean foods, speciality breads and charcuterie. We also have a fantastic selection of liquers, Dorset gin, local vodka, ciders and wines. Everything to make a perfect Christmas. Stop and enjoy a reviving freshly made cof-

fee before carrying on with your shopping spree.

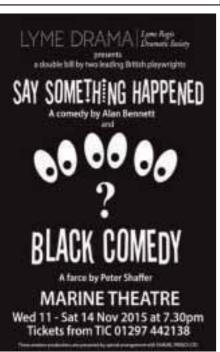

In front of the house there are more crafts as well as hot food stands where you can sit under cover and enjoy scrumptious pies, pizzas and sushi.

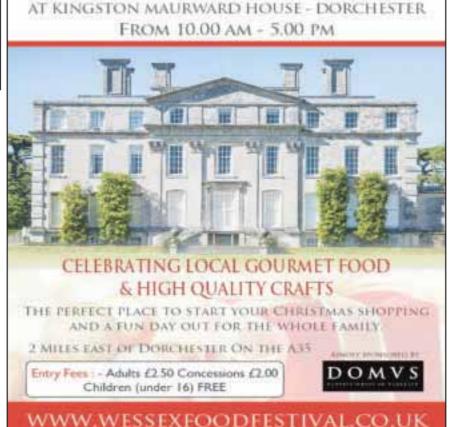

Children can join the free treasure hunt and see how many lit Christmas decorations they can find to claim a prize. Adults can also enter into our prize draw to win a host of prizes. All proceeds from the draw will be donated to out nominated charities this year raising money for local childrens cancer charities.

Admission to the fair is still only £2.50 for adults, £2.00 for concessions while children under 16 are admitted for free. There will be a discount for a two day pass.

Come early, stay late. The parking is free and refreshments are served all day.

Also a massive thank you to our sponsors DOMVS and Temple Mortgage Poundbury.

"I would be happy to recommend Elder&Froy to anyone buying or selling their house. Initially 'swayed' by the prospect of dealing with the all-female office in Beaminster, I was impressed by their friendly approach and efficiency. Having waited patiently for me to clear my mother's house, they took photos the minute I had finished, produced the brochure immediately, and had sold the house within a week of marketing. Way to go E&F!"

# **Lanehouse Bridport showcases the** all new Vauxhall Astra in Bridport

LOCAL Vauxhall retailer Lanehouse Bridport is set to showcase the Brit-built, all new Astra to customers in and around Bridport.

Unveiled at the 2015 International Motor Show in Frankfurt last month, the New Astra, which is built at Vauxhall's Ellesmere Port plant in Cheshire and is up to 200kg lighter than the outgoing model, is smaller on the outside and bigger on the inside, and is significantly more fuel efficient. The dealership on Shoe Lane is now taking orders for the highly anticipated new model.

Equipped with OnStar, the first all new Vauxhall to feature this technology; this includes high-speed 4G LTE mobile network, emergency response notification and stolen vehicle recovery technology. It is also one of the first vehicles from a mainstream manufacturer to get Apple CarPlay and Android Auto, available through a new version of the IntelliLink infotainment system.

"The New Astra raises the bar in terms of quality, design and connectivity," said Dominic Avery, Company Director at the dealership. "With sharp lines, athletic sculpting and the striking curve of the 'floating' roof, the design of the New Astra captures the dynamic potential within.

"Bigger inside, the New Astra features

to further enhance its overall appeal, setting a new standard in the compact-car class. It's also more fuel efficient than ever before, and we're thrilled to bring it to customers in the area."

The New Astra features petrol and diesel models, ranging from 100PS to 200PS, including an all new 1.4 litre (150PS) ECOTEC Direct Injection Turbo, a fourone-litre, three-cylinder engine seen in the Corsa, ADAM and VIVA.

www.viewfromonline.co.uk

For detailed information about the New Astra or any of the other models at Vauxhall, please contact Lanehouse Bridport at St Andrews Industrial Estate, Shoe Lane, Bridport, Dorset, DT6 3EX. Alternatively, go online to www.lanehousegroup.co.uk or call 01308 458018.

# All new VTEC TURBO engines set for next generation 2017 Civic

HONDA has announced that two all new downsized turbo petrol engines will be coming to Europe. 1-litre and 1.5-litre VTEC TURBO engines will form part of the powertrain line-up for the 10th generation Civic, set for launch in Europe from early 2017.

The all-new engines will be part of Honda's growing Earth Dreams Technology range and will deliver a combination of dynamic performance, class-leading output and excellent fuel ecónomy. The first new VTEC TURBO engine, a 2-litre, was launched this year in the current Civic Type R, capable of 310ps and a 0-62 mph time of

Based on a completely new engine structure and utilising its newly

developed turbo systems, the new engines feature variable valve motion technology to reduce friction and achieve class-leading output and environmental performance. The new engines use a turbocharger with a low moment of inertia and high responsiveness, and direct injection technology to achieve good balance between high output and torque, above

The all new Civic is scheduled to arrive in Europe in early 2017 after being announced at Frankfurt Motor Show in September. Five door variants will be exclusively produced at Honda's UK manufacturing plant (HUM) in Swindon. Honda has confirmed investment of €270m in new production technologies and processes to prepare for the

Philip Crossman, Managing Director at Honda UK, comments: "With the launch of these two new smaller turbo-charged engines, we are responding to the market demand and the rising trend for increased fuel efficiency without compromising on power."

### Rainbows land title blow - Lethargic Lyme lose at home - Uplyme edged out in bruising encounter

Thursday, October 22nd BRIDPORT FC YOUTH 0 LYME REGIS XI 6 Edwards Charity Cup Semi-Final

A YOUTHFUL Bridport side held out for 43 minutes in a one-sided cup encounter under the St Mary's floodlights on Thursday evening.

The Seasiders, who put out a young side of the own, camped in the Bees half for 80 per cent of the match, and after numerous chances came and went, finally took the lead when defender Wallace Blackmore netted from

Rhys Hayter scored the second moments later and the result was assured. Rhys Evans made it 3-0 and then had two further efforts kicked off the line.

Dec Ellis then struck the post before adding the fourth. Julien Simier waded in with the last two - the second the pick of the goals, an inch perfect curler that found the top corner.

#### Saturday, October 24th **DEVON & EXETER LEAGUE D2**

LYME REGIS 1 CULLOMPTON RANGERS RES 2 LYME Regis were punished for a lack lustre performance and their promotion hopes subsequently received a dent with defeat against a workmanlike Cullompton side.

The Seasiders fell behind in the second minute when striker Dan Horler climbed high the far post to direct a header which keeper Lee Cleal, stand ing in for the unavailable Chris Higgs, half-stopped but couldn't keep out.

Lacking the guile of Julien Simier (suspended) and Robbie Fellingham, it took 20 minutes for the hosts to create their first opening when Joe Bond turned well but experienced visiting gloveman Chris Garnsworthy saved well

Just before the break Mark Bailey was felled right on the edge of the area the Lyme skipper felt the foul took place inside the box but referee Nick Chapman said no. A minute later Bond swooped on a short back pass but shot straight at Garnsworthy.t

But The Seasiders equalised four min-utes after the break when a low Bailey free kick crept in at the far post with de-fender Dom Rowe's full length attempted diving header distracting the Rangers back line.

Lyme thought they had taken the lead three minutes later when Garnsworthy got finger tips to a looping cross which was then nodded back into the six yard Bond where the predatory Bond slammed it home. But the goal was ruled out when the visiting linesman flagged, incorrectly, that ball had gone out of play.
Seconds later Steve Batey had an ef-

fort cleared of the line and then Garnsworthy did well to tip a Bailey free-kick over the bar

However, the Seasiders lost their head of steam and Cully had a shot of their own cleared off the line by Luke Clifton.

But they went one better in the 80th minute. Cleal parried a shot but the ball was recycled back in to the box where

scored all eight in Beaminster Reserves 8-1 cup win.

Matt Pengelly slammed it home for the

There was still time for Ben Whittington to graze the bar with a close range header from a corner and Bond to stab an effort agonizingly wide in the seventh minute of injury time.

IT took Lyme Regis Reserves just seven

days to break their D&E goal scoring record as they put Bradninch to the sword at Kensham Mill

The rout was started in the 16th minute by Pete Peacock who went on to get a hat-trick but, by his own admission could have had many more. MoM Alfie Jaques made it 2-0 just be-

fore the half hour and the lead was doubled by half time through Robbie Fellingham and an own goal with Lyme also grateful for two fines saves from keeper Toby Fowler.

Aaron Cleal netted his first goal of the season soon after the turnaround before the hosts pulled one back.

But normal service was resumed and Peacock struck twice more and Mark Batey rounded things off.

#### PERRY STREET LEAGUE Saturday, October 24th CORONATION CUP QF

NETHERBURY 1 BARRINGTON 3
NETHERBURY were defeated in this Coronation Cup tie but Manager Andy Loudon described his side's performance as "Our best of the season".

Until the deadlock was broken in the 18th minute the game was a very even contest. The goal came after the Ambers were left feeling aggrieved after failing to be awarded a free-kick after midfielder Pete Ellingham was clearly fouled in the centre circle - but ref Kevin Luesley waved play on, and Barrington broke down the left and crossed for Andy Whitefield to tap in.

Netherbury responded well and started to get their wingers Lee Quincey and Mark Cuff into the game.

Some good link up on the left played in Ryan Gall who controlled the ball well and looked certain to score, but for an excellent goal line clearance.

Despite the Ambers excerting good pressure Barrington extended their lead against the run of play in the 35th minute. Ryan Gay was adjudged to fouled in the area and Whitefield tucked away his second from the penalty spot.

Netherbury deservedly got the goal their play warranted through a secondhalf penalty after Gall was fouled - Dan Rawlings stepped up and buried the ball into the top corner.

Barrington were soon after reduced to 10 men when Paul Retter was sent off for raising his elbow, giving the referee no choice but to send him off - despite protestations from the hosts.

The Ambers, despite a couple of goal-mouth scrambles, failed to find the equaliser. With the game in the dying seconds, and keeper Rob Harp up for a corner, Barrington countered and Carl Lazenby made it 3-1 with the last kick of the game.

"I'm genuinely happy with how we played, Barrington have dangerous strikers and they proved the difference today. We have some big games ahead and will need to reproduce this kind of performance in them", said Loudon.

UPLYME arrived at Shelway Lane to find no referee assigned for the game and agreed to the hosts to supplying one of their own. "On reflection it was a mistake – we should have turned round and gone home," said Uplyme assistant manager Jon Matthews.

The Swallows started well and Harry Robson fired them into an early lead. But the hosts were soon level with

Uplyme claiming a handball in the build up. A defensive lapse gifted Barrington the lead which they carried into the interval and never relinquished.

The game deteriorated after the break, "There were some terrible late tackles, and punches thrown - all of which went unpunished - and with the lads' heads understandably down, Barrington hit us with their 3rd and 4th goals," said Matthews.

But Uplyme battled away and pulled one back through Jake Bearpark only for the hosts to immediately restore their three-goal cushion.

There was still time for goals from James Beddows and Bearpark which made for an interesting final couple of minutes but Barrington held on.

"We made some mistakes throughout the game, and could have given ourselves more of a chance, but the fact is that if the game was officiated properly, Barrington would have been down to nine players", said Matthews.

Gethyn Jenkins (2), Curt Scadden (2) and Nick Aggus scored for the hosts.

Unbeaten with four wins in five games and 30 goals scored before the game they were the better team, although Beaminster made a fight of it, and kept their hosts at bay until midway through the first half.

The second half was much the same with Gillingham's midfield controlling the game.

They layed siege on the Beaminster goal for the first 20 minutes, including a series of short corners that lasted more than five minutes as they tried to break the visitors resolve.

Eventually they did, although the two goals were rather soft ones resulting from deflections that went Gillingham's

Beaminster more into the game in the last 15 minutes, but never really looked like breaching a defence that has only conceded four times this season.

# Gills just Nail-baiting win for battling Blues

Bridport 17

OF the six games played this season Bridport have lost only one, but have won three by the narrowest of margins. This latest encounter was a nerve-jan-

gling affair in which the Blues did very well to hang on for a well-deserved victory, albeit by a solitary point. It looked at first as if it was all going to

be plain sailing. From the kick-off Bridport were the more dynamic, forwards and backs combining to send Fred Everitt through the defensive line to score. Will Everitt was unable to add the

pressure which was repulsed by a very solid Bridport defence. The referee however was less impressed and repeatedly penalised the Blues for killing the ball at the breakdown.

Failing to break the defence Ellingham & Ringwood finally kicked one of those penalties to get them on the scoreboard The kick from the re-start went

straight out and so E & R had the advantage of a scrum put-in on half-way. Bridport's scrum, which was excellent

all afternoon, proved dominant though and secured quick possession for the porous defence for his second try but the conversion was missed.

Better still was to come as Bridport went through numerous phases, keeping the ball alive despite E & R's best efforts, and culminating in a touch down for Stephen Davies. Will Everitt secured the conversion from a tricky angle to extend Bridport's lead to 17-3.

At this point Bridport were playing all the rugby, but were again falling foul of the referee who gave hope to the opposition with two kickable penalties, both taken, and a couple of yellow cards to

ken when a careless pass from one of Bridport's backs was spilled, leading to a smart pick up from E & R's opposite number and a runaway try.

The conversion was made and suddenly all the good work was in danger of being wasted with the lead cut to one

The momentum was now with the hosts, and again Bridport conceded a penalty within kicking distance and another yellow card to go with it.

Happily it went wide and the whistle blew for full time. Man of the match: Joe Mace-Mckenney

Allan set a simple windward/leeward course, upwind leg followed by downwind leg, which allowed all to sail for a similar time and the results to be calculated on average lap times.

Ryan Dovell gave the Bees a 13th minute lead when he headed home Shane Evans' free kick.

However the lead didn't last long as The Zebras equalised four minutes later. Ben Cochrane won the ball on the halfway line to send Luke Winsper, on dual registration from Weymouth, away on goal and he fired in an unstoppable shot past Ashley Weeks into the roof of the net.

Darren Watts might have restored Bridport's advantage soon after in a but it was Sherborne who took the lead on 24 minutes following some sloppy work in defence. # Dour Seasiders 'Culled'

LYME Regis' seven game unbeaten run came to an end with a disappointing defeat at the hands of Cullompton Rangers Reserves at the Davey Fort on Saturday.

The visitors scored early but she Seasiders equalised through a Mark Bailey free-kick early in the second period

They had a perfectly good Joe Bond goal ruled out soon after when the 'Cully' linesman ruled that the ball had gone out of play in the build up – a decision that incensed Lyme players and supporters alike.

But a late goal consigned the Seasiders to defeat ahead of next Saturday's Bill Slee Cup 2nd round tie at Dawlish United's Sandy Lane Ground with a quarter-final at Bampton on offer for the winners.

sion Seven points after an 8-1 thrashing of their hosts.Pete Peacock led the way with a hat-trick but by all accounts the team could have

The Seasiders second-string, lying in the second place and now the division's top scorers, welcome Exeter-based Central FC to the Davey Fort on Saturday.

Meanwhile, after a week spent worrying if they could fulfill the fixture, Lyme Régis Bantams gave Perry Street League Premier Division title-contenders Shepton Beauchamp a fright before going down to an honorable 6-1 defeat.

New signing Brian Mawson had given the Seasiders the lead only for the Shepton to equalise before halftime and capitalise on tired home legs in the second half.

With no scheduled fixture this coming weekend the Lyme third string have the chance to re-group and reinforce their squad.

There were mixed fortunes for the UPLYME teams. The Swallows' first team were eventually outmuscled 5-4 with Jake Bearpark scoring twice in a bruising Perry Street League Division One encounter against Barrington Reserves.

But down in Division Three a double from James Souter-Philips earned Uplyme Reserves a de-served 2-1 win over Crewkerne Rangers Reserves at Venlake.

The team welcome neighbours CHARMOUTH for a local derby on Saturday.

The Robins will also come into the game in good spirits after Mike Walton struck twice to clinch a 3-1 win at Chard United All Stars
